**CONSTITUTIONAL  
AMENDMENT NO. 1**

*Proposed by 102nd General Assembly  
(First Regular Session) SJR No. 26*

Shall the Missouri Constitution be amended to allow places where individuals, corporations, organizations, and associations provide childcare outside of the child's home to be exempt from property tax? This is intended to make childcare more available, which would support the well-being of children, families, the workforce, and society as a whole.

State governmental entities estimate the state's Blind Pension Fund could have annual lost revenue of up to \$400,000. Local governments expect an unknown fiscal impact.

**CONSTITUTIONAL  
AMENDMENT NO. 4**

*Proposed by 101st General Assembly  
(Second Regular Session) SS 2 SJR  
No. 38*

Shall the Missouri Constitution be amended to authorize laws, passed before December 31st, 2026, that increase minimum funding for a police force established by a state board of police commissioners to ensure such police force has additional resources to serve its communities?

This would authorize a law passed in 2022 increasing required funding by the City of Kansas City for police department requests from 20% of general revenue to 25%, an increase of \$38,743,646, though the City previously provided that level of funding voluntarily. No other state or local governmental entities estimate costs or savings.

**SPECIAL BOND ELECTION  
PROPOSITION SAFETY**

Shall the Scott County Rural Fire Protection District, Missouri, issue general obligation bonds in the amount of One Million Six Hundred Fifty Thousand Dollars (\$1,650,000) for the purpose of providing funds for the site development, construction, equipping, and furnishing of a new firehouse; to complete remodeling and repair improvements to the existing facilities; to acquire and equip a fire truck; to purchase new apparatus and auxiliary equipment to meet current safety standards; and to prepay lease financings?

(If this proposition is approved, the District intends to reduce the general fund levy by \$0.20 per \$100 of assessed valuation in order to offset the estimated \$0.20 per \$100 of assessed valuation increase to the debt service fund levy resulting in the total tax levy to remain unchanged.)
